

General Terms and Conditions of PARA Tunnel Technologie GmbH (GTC)

1. Scope of Applicability

These GTC apply to the use of the website www.flystationmunich.de, www.flystationmuenchen.de, www.flystationmuenchen.de, the booking, purchase and use of the services and products of PARA Tunnel Technologie GmbH, Schachblumenweg 18a, 81377 Munich. By registering on our website or placing an order without prior registration on our website, the customer agrees to the applicability of our GTC. We reserve the right to modify or amend these GTC with future effect. Any bookings existing at the time such changes become effective remain subject to the GTC applicable at the time of booking.

2. Our Products/Services, Bookings

Customers can purchase tickets and ticket vouchers for flight slots in our flight tunnel facility (Bajuwarenstrasse 1, 85375 Neufahrn bei Freising) and other services (photos, videos etc.) via the booking steps available on our website. Ticket bookings are binding for the exact specified time slot. Bookings of ticket vouchers may be redeemed for the respective time periods in our flight tunnel facility at a later date/time, subject to availability.

To make a booking, you must enter the required data into the order form. Prior to placing our order, you have the opportunity to double-check all data (name, address, payment method and ordered product/service etc.) and make any changes that may be necessary. In order to purchase a ticket or ticket voucher or to book other products/services, the customer makes an offer to enter into a respective contract subject to the terms of these GTC (which can be downloaded, printed and stored in reproducible format prior to formation of the contract) by transmitting his/her data entered into the order form. We will confirm the online order, i.e. the receipt of the offer, via email. We accept the offer (formation of contract) by sending you your ticket as booking confirmation, the ticket voucher or the other service/product. You can print out the order confirmation displayed on your screen and the confirmation sent by us. The validity of the tickets and ticket vouchers is always subject to the condition precedent of receipt of full payment.

The customer is obligated to review the order and the delivered tickets / ticket vouchers (in particular date / time) immediately upon receipt of the order confirmation. If we have issued tickets incorrectly, the customer is obligated to inform us immediately in text form (via email to munich@flystation.de). We only consider technical false bookings on our part, i.e. deviations between the data of the customer in the order form and our confirmation for which we are

demonstrably technically responsible. In this case, we will make an effort to change the booking in accordance with the customer's wishes, subject to availability. Any other rights / claims of the customer are excluded.

If you purchase tickets or ticket vouchers for other persons, as well, you will inform these other persons about these GTC and in particular about the participation requirements.

3. Pricing

The ticket prices and ticket voucher prices set forth on our website at the time of booking apply. Promotions and other special offers are subject to the terms stated there.

4. Payment, Cancellation in Case of Non-Payment

You may pay by credit card, bank transfer (pre-payment), SEPA direct debit or via other payment methods supported by us.

The sales and payment process is handled by "InvoiceBox" (InvoiceBox OU, Tallinn/Estonia). Para Tunnel Technologie GmbH has authorized InvoiceBox to accept payments for our services on our behalf. As specialized provider of e-commerce solutions in cooperation with our "FlyStation", "InvoiceBox" will handle the payment process for you.

Certain payment methods may be temporarily unavailable in individual cases. The validity of the tickets and ticket vouchers is subject to the condition precedent of receipt of full payment. In case of chargeback of a direct debit, cancellation of a payment or other non-payment, the booked tickets / ticket vouchers expire irrevocably. We expressly reserve the right to assert legal measures and damage compensation claims against the customer.

5. Withdrawal

The stipulations regarding withdrawal and return rights in case of distance contracts do not apply to ticket sales pursuant to Section 312g para. 2 sentence 1 no. 9 of the German Civil Code. This means that in case a ticket is purchased, there is no right to withdraw and return within two weeks. The return of purchased tickets is principally not possible.

Regarding the purchase of (ticket) vouchers and other goods, there is a right to withdraw and return in accordance with statutory law if the customer is a consumer:

Right of Withdrawal

You have the right to withdraw from the contract regarding the purchase of ticket voucher(s) or goods within 14 days without giving any reason.

The withdrawal period will expire after 14 days from the day on which you acquire, or a third party other than the carrier and indicated by you acquires, physical possession of the voucher(s) or goods.

To exercise the right of withdrawal, you must inform us, PARA Tunnel Technologie GmbH, Bajuwarenstrasse 1, 85375 Neufahrn bei Freising, phone +4915129060920, email: munich@flystation.de, of your decision to withdraw from this contract by an unequivocal statement (e.g. a letter sent by post, fax or e-mail). If you exercise this option, we will promptly send you a confirmation of receipt of such withdrawal.

To meet the withdrawal deadline, it is sufficient for you to send your communication concerning your exercise of the right of withdrawal before the withdrawal period has expired.

Effects of Withdrawal

If you withdraw from this contract, we shall reimburse to you all payments received from you, including the costs of delivery (with the exception of the supplementary costs resulting from your choice of a type of delivery other than the least expensive type of standard delivery offered by us), without undue delay and in any event not later than 14 days from the day on which we are informed about your decision to withdraw from this contract. We will carry out such reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of such reimbursement. We may withhold reimbursement until we have received the voucher(s) or goods back or you have supplied evidence of having sent back the voucher(s) or goods, whichever is the earliest. You shall send back the voucher(s) or goods or hand them over to us without undue delay and in any event not later than 14 days from the day on which you communicate your withdrawal from this contract to us. The deadline is met if you send back the goods before the period of 14 days has expired. You will only have to bear the direct cost of returning the voucher(s) or goods. You are only liable for any diminished value of the voucher(s) or goods resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the goods.
